IMMEDIATE OPPORTUNITIES FOR PRODUCTION OPERATORS

Join Bayer's Central Seed Processing & Trait Pipeline Delivery Teams

FreshHire365 has partnered with **Bayer**, a global enterprise specializing in healthcare and agriculture, to fill critical Production Operator roles. Bayer is seeking highly motivated individuals to join their Central Seed Processing and Trait Pipeline Delivery teams, supporting innovative agricultural processes.

Why Join Bayer:

Paid Training: Get hands-on experience and learn from a leader in the agriculture industry.

Work with a Global Leader: Be part of Bayer's mission to advance the future of agriculture

Opportunities for Long-Term Growth: Potential pathways for continued employment and advancement in the agriculture sector.

Who We're Looking For:

Candidates 18 years or older with a High School diploma or GED.

Ability to lift/move up to 50lbs, and perform tasks that require bending, reaching, standing, or sitting for extended periods.

Willingness to work different shifts, including irregular and overtime hours during peak seasons.

Preferred Qualifications:

Associate's degree in Agriculture, Supply Chain, or a related Manufacturing discipline is a plus but not required.
