

# SERVING THOSE WITHOUT HEALTH INSURANCE

Hope Healthcare Services is a non-profit organization that offers low-cost, quality healthcare services to our neighbors without health insurance.

Hope Healthcare Services' patients are those who have no private medical and dental insurance nor government programs (VA, Medicare, HIP/Medicaid.) Patients are treated by both paid staff and medical and dental professionals donating their time in volunteer service.

*"This place is a true life saver. In a little less than a year they have helped me out of a really dark place. I am so very thankful to all of the volunteers and staff. Definitely great things happening at Hope Healthcare."*

## OUR MISSION:

Hope Healthcare Services ministers to the physical and spiritual health burdens of uninsured people in our community as the hands and feet of Jesus.

*"Hope Healthcare has been so far beyond a blessing to me. I was at a point of such distress and hopelessness because of the thought of not being able to afford my diabetes medication. God answered my prayers when I was in need and sent me to Hope."*

## SERVICE POLICY:

Hope Healthcare Services provides care to those without any kind of medical or dental insurance. There are no income, geographic or age restrictions.

No medical visit fee is ever more than \$30. Testing and referral services may incur additional fees. However, Hope will assist patients with finding low cost prescriptions, lab work and imaging. Accepted forms of payment are cash, debit card or credit card.
